

Gourasana's Mission Anthem

Welcome to Gourasana's Mission. It's your mission, too.

Your True Self's been around for a hundred million years
and it'll be here long after you.

Boop boop boop boop boop boop boop

Let's go to our place. It's a great big space. It's where we
want to be.

Where saints all meet and life is sweet and thousands will
break free.

It's The Lady. It's the Voice. It's our Incarnation of choice.

Let's toast. Raise your glass. To the Host, they really kick
ass.

So, welcome to Gourasana's mission. You're going to speak
the truth.

It's the Love that takes you Home. We're so glad you
answered the phone.

Come on in. Our minds are blown.

Gourasana's Mission, welcome Home!
