

Dear Lady,

**This booklet is an overview of how Gourasana and Kalindi
want the Mission to be on every level.**

Kalindi will be involved personally until it is done.

**This booklet is for The Lady and Jim,
the Forward Thinking Group, the Business Team,
and the 2nd Generation Masters
to start to feel where we are going
and to talk about it and make some longer-term plans.**

**The sourcing and details for all of this will be completed
by the time Kalindi goes into her 5-year seclusion.**

**All of the sourcing can start to be implemented by 10-10-10.
Once it is up and going it should keep going and never stop.**

Bring the Lord and bring His gifts out.

Hallelujah, pure delivery.
