

## The Father

I believe in Him

I am doing it

I can do it

I know He is Personal

I know the Grace of His Will

I have experienced the Mercy of His Truth  
Shattering Love Piercing Light

I have seen Eternity and I have felt His Intimate Embrace

I have crumbled and I have stood

I need nothing more There is nothing more

He is Everything Above all Else

He has come to this earth He is here now

### 'THE GOLDEN ONE'

to retrieve the souls of His children from the darkness  
to take them Home

Forever and ever
