

FREEDOM WALK

PATH OF TRANSFORMATION

Homeward Bound; A 21-Day Journey Into Freedom Walk

Friday, Day One Your Spiritual Desire

Take some time today to sit quietly – we suggest 20-30 minutes.

In order to get deeply connected to your personal spiritual desire,
contemplate further the answers you gave to the initial two
questions on your Freedom Walk application:

**What are you looking for in your spiritual transformation and with God?
What is your spiritual desire?**

You might want to journal about it, or simply feel your desire deeply.
